PHILLIP BROOMHEAD | SCHOOL DIRECTOR

SUMMER INTENSIVE SHOWCASE

July 29-30, 2021

Harriett's Orlando
Ballet Centre

A LETTER FROM THE DIRECTOR

Welcome to the 2021 Summer Intensive Showcase

Congratulations to each dancer on your success for the 2021 Summer Intensive. Along with the disciplines of dance and the work you have done to improve your skills, you have managed a variety of safety measures. I'm proud of the work you have done to adhere to all the protocols and I'm grateful to your families and caretakers who have walked alongside us as we have implemented each step.

The hallmark of our school is developing artistry and confidence in our dancers by performing continually, whether in a classroom or on stage. As you experience presenting your work to the audience in this Summer Intensive Showcase, you will grow not only as a dancer, but as an individual. In my experience, and in my career, growth has come through a commitment to doing the work. That discipline will carry you beyond any talent or any moment in the spotlight. The work ethic that is the culture of classical ballet lends itself to any prospective career. We are proud to be able to instill skills that help not only develop you as a dancer but will help you succeed in life.

Our mission to entertain, educate, and enrich through the highest quality of dance will be very much on display in this showcase. My deepest thanks to the inspiring faculty at Orlando

Ballet School. Your unyielding passion and dedication to developing the person, the technician, and the artist in each of our students makes our mission come to life. I thank you for your amazing efforts towards the health, safety, and continued education of our students.

Thank you to each parent and family member for supporting Orlando Ballet School and this beautiful art form. Thank you for entrusting your student's artistic development to us. Thank you to Robert Hill, our artistic director, and to the entire staff at Orlando Ballet for your dedication to our students.

It is my hope that whatever path you take in your career, dance will go with you. The foundations of discipline and creativity, along with passion and hard work will serve you as a professional dancer and in any path you choose. Enjoy this accomplishment.

Orlando Ballet takes pride in not just entertaining and educating, but enriching our community through the highest quality of dance. Our philosophy is that every child who wishes to dance or experience dance should be given the opportunity to do so. Through the support of our community partners, donors, and patrons, the Ballet was able to accomplish incredible things during the 202-2021 Season. We look forward to continuing our impact in the Central Florida Community throughout 2021-22.
