Additional Details

Class Descriptions

Beginner/Intermediate:
Designed for students with less than three years prior ballet experience. Focus will be on increasing vocabulary and strength through combinations at the barre and in centre.

Intermediate/Advanced:
Designed so students can complete their knowledge of barre and centre work. This class introduces more complex steps and combinations and is taught at a more accelerated pace. This class is ideal for adults with previous Int./Adv. dance training wishing to maintain and improve their ability.

Dress Code

For the adult program the only traditional dancewear item we require is split sole ballet slippers. They can be any color canvas or leather. Regarding clothing, if not leotard and tights, please choose clothing that is flexible and easy to move in while also being somewhat form fitting. This will allow the instructor to observe the line of the body and make corrections as necessary. Please pull long hair back and away from the face. Jewelry is discouraged.
