

# ORLANDO BALLET

ROBERT HILL ARTISTIC DIRECTOR

2021 – 2022 SEASON

## *Where will the performances\* take place?*

Orlando Ballet will perform *The Jungle Book*, *The Nutcracker*, and *The Great Gatsby* at the Dr. Phillip's Center for the Performing Arts. *Giselle* and *The Premiere Collection* will be performed at Harriett's Orlando Ballet Centre.

## *Where will my seats be?*

We will make every attempt to seat you close to your preferred location and will contact you if we're unable to do so for any reason. Our goal is to be able to revert all of our subscribers back to their original seats for the entirety of the upcoming season. For that reason, we're holding off on assigning seats until August with the hope that we'll have a better idea of any social distancing guidelines in place at that time.

## *What procedures are being taken to ensure patrons safety?*

You can view [Dr. Phillip's Center for the Performing Arts](#) and [Harriett's Orlando Ballet Centre's](#) detailed health and safety protocols linked above.

## *When will single tickets go on sale?*

Single tickets will be available for purchase at the end of Summer 2021. Subscribers will receive early access to purchase additional tickets.

## *Can you tell me about the venue at Harriett's Orlando Ballet Centre?*

The Great Hall is designed to host large events and performances for up to 300+ guests. The Santos & Dantin Box Office can support performance ticket sales. Valet parking will be provided for all performances at this venue. In addition, we believe that in the future parking will be available in the Science Center garage at a rate of \$5 per day.

## *Who can I reach out to with questions?*

You can contact Caitlin Marshall, Patron Services Manager at [Cmarshall@orlandoballet.org](mailto:Cmarshall@orlandoballet.org) or 407.418.9828
