A LETTER FROM THE SCHOOL DIRECTOR

Hello everyone,

Another amazing summer intensive! I am so thrilled to be able to present to you this showcase that is a sampling of five weeks of hard-work, sweat equity, and dedication from these passionate students.

Every year we witness much growth in our summer intensive students. From our first-time summer intensive students to our Trainees and OBIs, we are proud of you all.

Thank you, dancers, for your hard work, positive attitudes, and passion. What better way to end the summer intensive than with our showcase that shares our mission to entertain, educate, and enrich through the highest quality of dance. As you experience presenting your work to our audience, the technician and artist in each of you make our mission come to life.

Parents, we would like to thank you for supporting your child's desire to attend Orlando Ballet School for our summer intensive. From audition to registration, to flights, to packing lists, to dorm check-in, the list goes on and on, and your dedication to your child has been inspiring. Most importantly, thank you for trusting our vision.

The passion and dedication of our faculty for developing our students technically and artistically is amazing. I also want to thank our full-time faculty for all their talents in and out of the classroom to help make our summer intensive successful.

All of this would not be possible without the help and guidance of our artistic director, Jorden Morris, our executive director, Cheryl Collins, and the board of directors for their support of Orlando Ballet School and to the entire staff at Orlando Ballet. From the bottom of my heart, I thank you all.

Please enjoy the performance.
