Group Placement

To accommodate the many students that will be attending the Summer Intensive, please note the following process regarding Group Placement.

Monday, June 2nd – Group Placement Classes

Group placement and final schedules will be emailed to all families after the first day.

Strengthening the foundation of a dancer's technique is the most important component of any student's ability to meet the demands expected of high-level dancers today. Orlando Ballet School adheres to this methodology, and it has proven to be successful in training countless professional dancers. We place students in groups based primarily on areas of focus so they can continue to strengthen their foundation.

Placement is at the sole discretion of senior OBS Faculty including Chris Alloways-Ramsey, Education Director. Group placement will not be discussed with families and requests made by students will not be considered. Placement may be adjusted by staff as the intensive progresses if it is determined that a student's initial placement needs to be changed.

Daily Schedules

Monday – Friday | 9:30am – 3:30pm

Classes Include:

- Ballet technique classes
- Variations/Men's class or repertory
- Character/Jazz/Modern
- PBT/Yoga/Pilates/Strength Conditioning

Classes will be held at the following location:

Harriett's Orlando Ballet Centre – 600 N Lake Formosa Dr, Orlando, FL 32803

Observation Day

An In Person Parent Observation Day will be made available at the end of the 1-Week Intensive. Parents will be informed of this Observation Day and more details after the start of the Intensive. Schedules will be determined by the student's final placement.

Attendance

Students are expected to attend every class for which they are scheduled.

Absence due to illness, injury, or special circumstances may be excused upon receipt of a doctor's note and notification to summerprograms@orlandoballet.org

All absences must be communicated to the Summer Intensive Coordinator at summerprograms@orlandoballet.org

Students may not enter class late or leave class without permission from the instructor. A student who arrives more than 10 minutes late may be required to sit and observe class.

Student Expectations

Failure to abide by the rules set in place by the Orlando Ballet staff may result in disciplinary action up to removal from the program.

1st Offense – Official written warning and notification to parent/guardian.

2nd Offense – Notification to parent/guardian and meeting with OBS staff.

3rd Offense – The student will be asked to leave the program at the expense of the student's parent/guardian.

Students will be issued offenses for the following reasons:

All students are expected to behave respectfully and maturely. This is an intensive ballet program that requires students to be responsible for:

Following school rules

Being respectful of OBS staff, fellow students, and their property

Remaining disciplined and focused on daily dance work

Orlando Ballet School practices a Zero Tolerance Policy about more serious offenses including:

Orlando Ballet School will not tolerate possession and/or consumption of tobacco, drugs, or alcohol at any time while attending the Summer Intensive Program either on OBS property or the Rollins College Campus.

No person shall possess, consume, furnish, manufacture, sell, exchange, or otherwise distribute any tobacco, alcoholic beverages, or other drugs. The possession or use of fireworks, and any kind of weapons is also prohibited.

No student shall harass, abuse, or bully any other person in word, deed, or action.

No inappropriate social media posts, including photos or comments.

No student shall tamper with or borrow without permission the personal property of others.

If any of these rules are violated, this will be cause for the immediate dismissal of the student at the expense of his/her parent or guardian.

All registrants are required to sign and upload the signed Behavior Policy and Agreement stating that they have read and agree to the information provided by Orlando Ballet regarding the school's summer intensive program rules and regulations.

Food Delivery at OBS

In line with schools across the country, Orlando Ballet School does not allow students to order food delivery from any service including Uber Eats or DoorDash nor do we allow for food to be brought in to students during the school day. This policy helps us keep our campus more secure as it limits interruptions, visits to campus from unknown vendors, and students being out of area.
