## Summer Intensive Resident Assistant FAQs

### ***How old do I have to be?***

RAs for the 2025 Summer Program must have turned 18 by January 1, 2025.

### ***Is this a paid position?***

No. All RAs receive full tuition and room and board in exchange for their services.

### ***What is included in this position?***

RAs receive full tuition, housing, and meals provided at the dorms. RAs will also be assigned as chaperones to the various weekend trips and their transportation and ticket fees will be covered as part of this position.

\*RAs are responsible for any additional meals or purchases while off campus and on activities.

### ***Will I be able to participate fully in classes and performances?***

Yes. RAs are required to audition and be accepted into the program. As an accepted student, RAs are expected to participate in both classes and performances. There may be days, however, that you will need to remain at the dorm with an ill student, escort a student to the doctor, or perform some other duty that will prevent you from attending class.

### ***What are the dates of the program?***

- 2-Week Intensive – June 9 – June 20, 2025
- 3-Week Intensive – June 23 – July 11, 2025
- 5-Week Intensive – June 23 – July 25, 2025

RAs must commit to attending the entirety of the program for which they are hired.

### ***When do I need to arrive?***

RAs should plan to arrive on the Saturday before the start of their assigned program to allow plenty of time to get settled and attend orientation. This allows RAs enough time to prepare for student arrival on Sunday afternoon.

### ***Do I need to stay until all students have checked out at the end of the program?***

It is preferred that RAs stay until all students have departed the dorm, and therefore should not schedule their return flight to depart from Orlando before 1:00PM on the Saturday following the end of each intensive.

***How many RAs will be hired?***

The number of RAs hired will depend on the number of housing students enrolled in the OBS Summer Program. We strive for a student to RA ratio of 12:1.

***Do I need to be First Aid and/or CPR Certified?***

No, but it is preferred.

***Will I have time off?***

The RAs will be given a rotating schedule to provide at least one evening off each week.

***Will I be able to participate in weekend activities?***

RAs will be assigned to chaperone the various weekend activities at no additional cost. Upon accepting the position, RAs will be asked to provide their top three preferences for weekend trips. All efforts are made to assign RAs their preferred trip. Those not assigned to a weekend trip will be required to be the staff on site at the dorms for any students not attending the trip.

***Can I bring my own car?***

Yes. RAs may have their own car on campus and will be required to purchase a parking permit as required by the campus. RAs may not, however, transport students under any circumstances.

***Will I have a private room?***

Yes, we will make every effort for each RA to have their own room. However, RAs may be required to share a bathroom with another RA. The accommodations at Rollins College are set up with at least one student per room with a shared bathroom between rooms.
