PREPARING YOUR VIDEO

Your audition video should be at least five minutes in length. The clear, concise combinations outlined below allow our faculty to assess your current level of training accurately. Begin the video by stating your full name and age. Film in a space where your entire body, including your feet, remains in frame throughout.

AUDITION ATTIRE

Female dancers — Black or other solid-colored leotard, pink or flesh-toned ballet tights, and pink or flesh-toned ballet slippers; pointe shoes for dancers on pointe. Hair secured in a classical ballet bun.

Male dancers — White dance T-shirt, black ballet tights, and black ballet slippers. Hair neatly groomed and off the face.
